

The Apiary Fellowship

Expressions of interest NOW OPEN

Are you ready to drive improved early years outcomes for children in Australia?

The Apiary Fellowship is a diverse group of leaders and innovators from across the country who are passionate about working to enhance learning and development for children in the years prior to school. The Apiary aims to bring about change at a systems level. This means thinking about the big picture, challenging the status quo, and identifying what can be done to improve the lives of children, now and in the future.

Watch the Apiary Promise to Children video [here](#).

If you are a leader and innovator who would like to:

- Shape a shared vision for systemic change in early learning, co-designed with children and families
- Learn to lead differently with a program designed to build capacity in system change, adaptive leadership and innovation
- Work on collaborative projects to address key system challenges
- Convene for 2-3 days with peers and other early childhood leaders, up to 4 times per year

Register your interest in joining The Apiary [here](#).
